"Aston aims to enable the employer and individual to access choice and opportunity through education, guidance and support"

The Children & Young Peoples Workforce

Advanced (Level 3) Residential Childcare

The Level 3 Diploma for Residential Childcare (England) is specifically designed for persons wanting to or currently working in residential care with children in a care role.

It is a recognised and valuable progression route to the Level 5 Diploma in Leadership and Management for Residential Childcare

This qualification will be the accepted qualification for registration and regulation where appropriate and can demonstrate continuing professional development.

The qualification is available as standalone or forms part of the Advanced Apprenticeship

This qualification forms part of the Children and Young People's Workforce Residential Care Pathway (England) Apprenticeship

Funding is available for this Qualification within an Advanced Apprenticeship
