

"Aston aims to enable the employer and individual to access choice and opportunity through education, guidance and support"

The Children & Young Peoples Workforce

Higher (Level 5) these qualifications are available as standalone or within the Higher Apprenticeship The Higher Apprenticeship in Care Leadership and Management, a level 5 Apprenticeship that will support your organisation to recruit, develop and retain high quality leaders and managers.

The Higher Apprenticeship is based on the Level 5 Diploma in Leadership for Health and Social Care and Children and Young People's Services

It contains occupational qualifications that are recognised across the sector.

The Higher Apprenticeship has two pathways;

1. **General Managers**
2. **Specialist Managers.** *The Specialist Pathway offers a direct route into university.*

The Higher Apprenticeship in Care Leadership and Management gives staff the opportunity to develop higher level skills whilst working alongside skilled peers in the workplace so that their development is linked to the needs of your business.

It is a way of growing your own future leaders and managers, making sure you remain competitive and are able to meet the challenges and opportunities ahead. The framework can be used for existing staff and new recruits.

Who can do the Higher Apprenticeship?

The Higher Apprenticeship is open to anyone employed in an appropriate job role.

They can be an existing or a newly recruited employee.

The Higher Apprenticeship is a natural progression for those that have completed the Advanced Level Apprenticeship or for those currently working in supervisory roles.
