

Off-the-job training: steps to help you determine whether an activity counts as off-the-job training

Key facts

1 Off-the-job training must make up at least 20% of the apprentice's normal working hours (paid hours excluding overtime) over the planned duration of the apprenticeship.

2 You can deliver off-the-job training in the apprentice's normal workplace or at an external location.

3 Progress reviews and on-programme assessment do not count towards 20% off-the-job training.
